LET'S MAKE CHRIS OUR NEXT GOVERNOR: VOTE TODAY!

Rooting out government waste, fraud and abuse of taxpayer dollars is our core mission. We believe that sunlight is the best disinfectant for stamping out reckless government spending. To truly accomplish both of these ends, we need someone in Salem who will reign in spending and bring back accountability. **We believe that person is Chris Dudley.**

Chris has demonstrated that he will be the best steward our tax dollars. Here at Common Sense, we're doing our best to help Chris become our next governor, but he needs **your vote** and **your support**.

The polls close at 8 p.m. tomorrow. Make sure you vote before it's too late.

Chris has adopted the phrase Oregon's Comeback for his campaign motto. Well, in order to have a Comeback, you first need a turnout. So let's get involved. The stakes in this election are too high to entrust our future with the Salem insiders.

Sincerely,
Ross Day
