May 10, 2012

Dear Friend,

We have a great opportunity to take action and eliminate the Oregon death tax. This tax is very harmful to family-owned businesses, farms, ranches, and our economic freedom. You can visit endoregondeathtax.com to read about the issue. At this website, you can also download a single-page, single-signature petition, which you can sign and place in the mail. All you need is your signature and a stamp. Please forward

 +1

this email to
your family
and friends
who are
Oregon voters
and encourage
them to share
this email, as
well as go to
the website to
sign the
petition.

We are at the
halfway point.
Please sign
this petition
and help us
get this
important
initiative on the
November
ballot.
Signatures are
due by the end
of June, so
send them in
now and tell
your friends!

Sincerely,

*Coalition to
End the
Oregon Death
Tax*
