Common Sense for a Buck-A-Month!

"A Dollar a Month, That's All We Ask....."

Isn't a dollar-a-month a good deal for a little common sense? We think so too, and hope that you take the time to make sure Common Sense is alive and well in Oregon.

As you may know, Oregon is facing a very large budget deficit. For the first time in the last couple of decades, politicians are finally starting to acknowledge that Oregon has a **spending problem**, not a revenue problem. Momentum is on our side, we just need to keep it up!

Next January, a new Governor and a new Legislature will descend on Salem to begin tackling the budget deficit. The politicians are going to have two choices: raise taxes or cut spending.

We know what they did in 2009 - they raised taxes - because the politicians do not understand that Oregon has a spending problem, not a revenue problem.

Enter Common Sense For Oregon and the Golden Fleece Award!

The Golden Fleece Award "highlights" examples of wasteful government spending - like free soda pop for prisoners, or ridiculously high health insurance premiums, or free satellite television service for prisoners - to demonstrate what most Oregonians already know: Oregon has a spending

problem, not a revenue problem.

Ironically, there is something we need to keep the Golden Fleece Award program going: **money**.

Money is the "mother's milk" of politics, and without it, nothing can get done. That is just the hard and fast truth.

If everyone who receives this message committed to contributing \$12 per year - that is \$1 per month! - then Common Sense For Oregon would have the resources necessary to continue the fight.

Just \$1 per month.....that is all we ask.

How to Help Common Sense

"Money is the mother's milk of politics" - Jesse Unruh

Common Sense For Oregon can only stay afloat with the generous donations of people like you.

Whether it be our legal victories like the recent decision in Grum Vs. Newberg, or the Golden Fleece

Awards it takes your financial support to make these possible.

The unfortunate fact of the matter is that everything we do costs money. Every public records

request, the endless research into the budget, ballot measures, even the emails we send to you! So we are asking for your support.

Whatever you can give, it will help.

Donating is Easy! Just click on the button above, and follow the PayPal instructions!
