Join Oregon's Comeback

DUDLEY

Join the Countdown to the Comeback Tour!

We are 15 days from Election Day, and the momentum is building behind Chris Dudley and his campaign to lead Oregon's comeback.

Beginning last Friday, Chris has been out on the road on his "Countdown to the Comeback" statewide bus tour. Chris is meeting with Oregonians across the state, talking about his plan to lead Oregon's comeback.

Chris Dudley's message is resonating with Oregonians. Chris recognizes that Oregon has a *spending* problem, not a revenue problem, which is the primary reason CommonSense For Oregon PAC has endorsed Chris Dudley for governor.

Dudley's "Countdown to the Comeback" tour will be coming through Maupin on Tuesday, October 19th, 2010 at the Imperial River Company in Maupin. Come by and have a cup-o-Joe with Chris, he would love to see you!
