Meet Julie Parrish, CommonSense for Oregon PAC's choice for state representative for House District 37!

As a small business owner, Julie is committed to growing jobs and cutting taxes. Julie is running because she believes our state needs to live within its means, make a budget and stick to it. And Julie knows that higher taxes kill jobs—she's exactly the voice we need in Salem.

Julie's opponent, Will Rassmussen, is supported by state-employee unions and other special interests who want to line their pockets with YOUR tax money. Will Rassmussen will listen first to these same groups who supported Measure 66 and 67, not to you. You can't afford to let Will get to Salem.

Make sure your job and your wallet is defended in Salem. **Help Julie win** by visiting [www.julie4oregon.com](http://www.julie4oregon.com) to:

- Volunteer
- Get a lawn sign
- Make a donation

Don't let our tax and spend opponents elect a friend to the Legislature. Support Julie today!
